

# GMTD #52 Rector's Reports

## Men's GMTD #52 • Feb. 5–8, 2009

### Rector: Alan Aaron

Praise God!!! Great is our Lord and greatly to be praised! He has done marvelous things! From the time the men set their feet on the soil of the Camp of Colors they were ready to receive whatever God had for them. This weekend was not only for the candidates but the team also. It seems our Father had other things on His mind. Georgia Mountain Tres Dias # 52 for men has been a time of happiness, a time of sadness, a time of rejoicing, a time of rededication, a time of salvation and a time of celebration. God is good!

By the time the first team meeting started, it could be seen that God was at work in each of our lives by bringing everyone into one accord. During the following meetings love and humility engulfed our lives more and more. The commitment the men made to the weekend, made it possible for Holy Spirit to move as He desired. The result of that; many lives were changed. It is my prayer that we will continue to seek His face at all times. Praise the Lord for all He has done on both women's and men's # 52 weekends.

*"by grace forgiven"*

## Women's GMTD #52 • Feb. 12–15, 2009

### Rector: Janet Adams

The team and candidates of the Woman's GMTD #52 were truly blessed on the weekend. What an awesome time with the Lord. He promised that if we would seek him with all our hearts that we would find him and we did. He filled that special place in our hearts that only God can fill. Then he showered us with his blessings. It is my prayer that you will give him all of your heart and seek his direction in your life on a daily basis. May God always be glorified.

I cannot begin to express my gratitude for the prayers, palanca, serenade, and hard work that was given for the weekend. It was a true expression of your love for the Lord and for others. I was honored and humbled to serve as the rector. My life will be forever changed.

Love,  
Janet Adams, Rector GMTD #52
